At that time he mysteriously dispersively. At the same appeared and nothing was heard of him until yeaterday. He was held in default of \$1,000 for trial.

tablish a Quarantine.

as Small-Pox.

The State Board of Health has taken whether the contagion is chicken-pox or small-pox has taken the safe course by ordering a strict quarantine and the vaccination of all persons who have of securities, by ordering a strict quarantine and the vaccination of all persons who have been exposed to the infection.

Last Saturday President Wilson wrote the President of the State Board of Health that he was convinced the health authorities of the town of Edgetorty years old. She was neatly a forty years old. She was neatly show that in 1891, 1892, and 1893 is and his wife committed to various a saylums, claiming that she was a from the excessive use of intoxinate commitment was signed by Garretson, of Queens County, agreed that the disease was small-pox. The local health officer, Dr. Feeney, pronounced the disease chicken-pox.

pox.

Dr. Doty recommended that unless the health authorities on Staten Island established a quarantine, the people coming to New York from the infected neighborhoods be prohibited from landing. This threat was made officially and the State authorities were notified. The result was that this morning Gen. Emmons Clark. Secretary of the Board of Health, received a letter from the Secretary of the State Board on the subject.

the Secretary of the State Board on the subject.

It came from T. A. Stuart, sAssistant Secretary, and stated that the President of the Board of Health of the town of Edgwater had been directed to take immediate steps, through the health officer, to place so-called cases of chicken-pox in strict quaratine, and to see to it that all who had been exposed to the disease were vaccinated without delay and kept under strict observation during the period of incubation.

Dr. Feeney's courteous letter notifying President Wilson that he had concluded to establish quarantine was decided upon after receiving directions from the State authorities.

home in Huuson sures; the disease.

The Board of Health took prompt action and placed both houses under quarantine, after thoroughly fumigating the premises. All the inmates of the houses are to be vaccinated. The Board of Health does not anticipate that the disease will spread to any extent.

CAPT. BAKER'S TRIAL

Telling the Story of the Sawyer Kenilworth Collision.

Capt. Albert Christiansen told to United States Commissioner Shields to-day the story of the wrecking and the firing of the schooner Flora A. Sawyer after a collision with the big steel four

after a collision with the big steel fourmaster Kenilworth, commanded by
Capt. James Baker. Capt. Baker is
under arrest charged with deserting the
Sawyer in a disabled condition on the
high seas on May 19.
Capt. Christiansen swore that after
the ships struck he ran to the railing
and called out to the Kenilworth,
"What is your name?" Receiving no
answer and seeing that the masts of the
Sawyer had gone by the board and
that she was rapidly filling with water,
he again called out, "We are sinking.
For God's sake send us boats."

The Kenilworth was at this time but
twenty feet away. Within a few minutes the Kenilworth was out of sight,
No attempt was made by Capt. Baker
to render any assistance or to ascertain
the condition of the Sawyer.

About two hours after the collision
the Sawyer was set after and the crew
took to the boats, from which they were
picked up five hours later.

Capt. Christiansen's story was corroborated by Major Kolt, the owner of
the Sawyer, and by Henry Petersen, a
sailor.

The Sawyer was sailing in ballast to

sailor.

The Sawyer was sailing in ballast to Honduras on an exploring trip, Major Kolt hoping to locate Quano Islands off the coast.
The hearing was continued until nex
Thursday.
